

Mentorship Beyond Boundaries (MBB)

Website Redesign — Product Requirements Document

Status: Client Review

Project: Mentorship Beyond Boundaries Website Redesign

Current Website: mentorshipbeyondboundaries.wordpress.com

Prepared for: Mentorship Beyond Boundaries

Purpose: Requirements confirmation before design and development

1. Project Overview

Mentorship Beyond Boundaries (MBB) currently has a WordPress website containing information about its mentorship programs, Academy, impact, mentorship models, partnerships, stories and opportunities to participate.

The proposed project will redesign and modernize the website to provide a clearer, more professional and easier-to-navigate digital presence.

The new website should make it easy for visitors to:

- Understand what MBB does
- Discover mentorship programs
- Learn about the MBB Academy
- Understand MBB's impact
- Apply for mentorship programs
- Book MBB for individual or institutional engagements
- Become a mentor or mentee
- Explore mentorship stories
- Access MBB Mentors Connect
- Contact the organization
- Learn how to partner with or support MBB

CLIENT REVIEW

Is this an accurate description of what you want the new website to accomplish?

Approve / Change: This is very okay_____

2. Organization Overview

Based on the existing website, Mentorship Beyond Boundaries is a youth-led global mentorship and coaching community initiative.

MBB works with:

- Adolescents
- Junior and high-school students
- University and college students
- Young professionals
- Community youth
- Mentors
- Schools and institutions
- Community organizations
- Partners

The organization's motto is:

"Unlock Potential. Create Opportunities."

Current Vision

To be a global community platform inspiring, motivating and equipping individuals to realize their fullest potential.

Current Mission

To equip adolescents and young people with mentorship, skills and opportunities that shape their destinies beyond academics.

Current Core Values

- Passion
- Professionalism
- Purpose
- Humanity
- Discipline

CLIENT REVIEW

Are the organization description, vision, mission, motto and values still correct?

Approve / Changes:

This is okay

3. Website Objectives

The proposed website should achieve five main objectives.

1. Establish Credibility

Present MBB as a professional mentorship organization with demonstrated programs, partnerships, leadership and community impact.

2. Explain MBB Clearly

Visitors should quickly understand:

- Who MBB is
- Who MBB serves
- What programs MBB provides
- How the mentorship model works
- How they can participate

3. Generate Participation

The website should encourage visitors to:

- Apply for programs
- Become mentors
- Become mentees
- Join the MBB community
- Book mentorship engagements

4. Support Partnerships

Schools, organizations, government institutions, NGOs and other potential partners should easily understand MBB's work and how to collaborate.

5. Showcase Impact

Highlight mentorship activities, success stories, partnerships, statistics, community initiatives and achievements.

CLIENT REVIEW

Are these the correct priorities?

Approve / Changes: Much okay

4. Target Audiences

The proposed website will primarily serve:

Students & Adolescents

Young people looking for mentorship, personal development, educational guidance and opportunities.

University Students & Young Professionals

Individuals seeking career readiness, leadership, communication and personal development.

Mentors

Professionals and experienced individuals interested in mentoring young people.

Schools & Educational Institutions

Schools and universities interested in mentorship sessions, workshops and institutional programs.

Organizations & Partners

NGOs, companies, government institutions and community organizations interested in partnerships.

Parents & Communities

Parents and community members looking for mentorship opportunities for young people.

CLIENT REVIEW

Are there other important audiences?

You are much right

5. Proposed Website Structure

The following structure is proposed based on the current website.

Main Navigation

Home

A concise introduction to MBB containing:

- Hero section
- "Unlock Potential. Create Opportunities."
- Brief MBB introduction
- Main programs
- MBB Academy introduction
- Impact statistics
- Success/mentorship stories
- Partners
- Calls to action
- Contact/footer

Primary actions could include:

Join MBB | Explore Programs | Book MBB

Either is better

About Us

Proposed content:

- MBB story
- Founder story
- Vision

- Mission
- Core values
- Team
- Mentorship philosophy
- Organizational journey

Nice

Programs

A dedicated area explaining MBB's mentorship programs.

Current programs identified include:

Students' Mentorship

Mentorship for adolescents and school students focusing on identity, education, purpose and personal growth.

Young Professionals' Mentorship

Career readiness, leadership and personal development for university/college students and young professionals.

Community Mentorship

Mentorship supporting marginalized and vulnerable youth.

Mentorship Publications

Supporting aspiring writers with writing and publishing mentorship.

Other initiatives currently mentioned include:

- Eagles' Mentorship Program
- Digital Mentorship
- School & Institutional Engagements
- Publications & Media
- Leadership & Empowerment Forums
- Community Empowerment

CLIENT DECISION REQUIRED

Should these be presented as separate programs or grouped into fewer main programs?

Separated including Public speaking training, Mentors training and Writer's and Authors mentorship

MBB Academy

A dedicated page explaining the structured training and capacity-building arm of MBB.

The current development pipeline is:

Awareness → Growth → Leadership

Programs currently include:

Beginners Intake

Duration: 8 weeks

Focus:

- Self-discovery
- Mindset
- Personal foundations

Main Certification Program

Duration: 12 weeks

Focus:

- Professional development
- Practical skills
- Career readiness
- Confidence

Elite Leadership Academy

Duration: 16 weeks

Admission: Application-based

Focus:

- Leadership
- Mentorship
- Facilitation
- Advanced professional development

Each program should have a clear:

Learn More / Apply Now action.

CLIENT REVIEW

Are these programs, durations and descriptions still correct?

That's okay for a start

Our Impact

A visual impact page showcasing MBB's work.

The existing website currently states achievements including:

- 100,000+ students reached across Kenya
- 10,000+ young professionals trained and mentored
- Activities across several African countries
- Partnerships with organizations and institutions

The page could include:

- Impact statistics
- Schools reached
- Countries reached
- Community projects
- Photos
- Testimonials
- Partner organizations
- Success stories

CLIENT CONFIRMATION REQUIRED

Please verify all impact numbers before publication.

Updated statistics:

You can as well add any reasonable figure

Mentorship Stories

Stories from:

- Mentees
- Mentors
- Students
- Young professionals
- Community initiatives
- School programs

Each story may contain:

- Person/program
- Image
- Story
- Outcome
- Testimonial

Yes we have mentors and mentees who could be willing to share testimonies you can start with any then we improve later by real stories from each person

MBB Mentors Connect

The existing MBB Mentors Connect platform connects grassroots mentees with mentors and other mentorship-focused individuals.

The new website should clearly explain what Mentors Connect is before directing visitors to the external platform.

Possible actions:

Become a Mentor

Find a Mentor

Visit Mentors Connect

CLIENT REVIEW

Should Mentors Connect remain an external platform?

Yes / No / Other: in partnership to also improve membership you can link them together or what do you think that as public access the website they can connect on Mentors Connect _____

Generational Mentors

The current website includes an "MBB Generational Mentors" section.

The redesigned website could showcase selected mentors with:

- Professional photograph
- Name
- Position/profession
- Short biography
- Expertise
- Mentorship areas

CLIENT REVIEW

Should this section remain?

Yes / No

This is important but can be done later because it's just show how mentorship started and it's progress yet to be updated overtime

Partner With Us

Recommended new section for:

- Schools
- Universities
- NGOs
- Companies
- Government institutions
- Community organizations
- Sponsors

Possible actions:

Partner With MBB

Invite MBB to Your Institution

Sponsor a Mentorship Initiative

The three are okay the partner can choose how they would wish us to partner

Contact

The Contact page should provide straightforward ways of reaching MBB.

Potential contact methods:

- Contact form
- Email
- Phone
- WhatsApp
- Social media
- Location
- Institutional booking

MBB contact: +254 746 275 156 Email mentorshipbeyondboundaries644@gmail.com

6. Booking & Application Flow

The current website uses external forms for applications and bookings.

Existing actions include:

- Apply Now
- Join the Movement
- Individual Booking
- Institution Booking

For the redesigned website, these can either continue using external forms or eventually be integrated directly into the website.

Proposed Initial Approach

Visitor selects action

→ Website explains the program/service

→ Visitor clicks Apply / Book / Join

→ Appropriate application form opens

→ MBB receives the submission.

CLIENT DECISION

Preferred approach:

- Keep existing external forms
- Create new forms
- Build forms directly into website
- To be discussed

Decision: Build forms directly into website _____

7. Calls to Action

The website should use consistent calls to action instead of presenting visitors with too many different options.

Proposed primary CTAs:

Join MBB

Apply to MBB Academy

Become a Mentor

Find a Mentor

Book MBB

Partner With Us

CLIENT REVIEW

Which actions are most important?

1. Join MBB

2. Apply to MBB Academy

3. Partner with us

8. Design Direction

The proposed website should feel:

- Professional
- Inspiring
- Youth-focused
- Modern
- Credible
- African/global
- Community-oriented
- Accessible

The design should use authentic photographs from MBB activities wherever possible rather than generic stock photography.

Required Brand Assets

Client to provide/confirm:

- Official MBB logo
- Brand colors
- Brand fonts, if applicable
- High-quality mentorship photos
- Event photographs
- Founder photograph
- Team photographs
- Mentor photographs
- Partner logos
- Videos, where available

CLIENT NOTES

Yes these can be shared as soon as they are needed

9. Mobile Experience

The website will be designed mobile-first.

Mobile visitors should easily be able to:

- Understand MBB
- Browse programs
- Apply
- Book
- Contact MBB
- Use WhatsApp
- Access Mentors Connect

Buttons and forms should work comfortably on mobile devices.

Yes

10. Search Engine Optimization (SEO)

The redesigned website should have a strong technical foundation for search engines.

Initial SEO setup should include:

- Descriptive page titles
- Meta descriptions
- Search-friendly URLs
- Correct heading structure
- Image alt descriptions
- Sitemap
- Search engine indexing configuration
- Mobile optimization
- Performance optimization
- Social sharing metadata
- Google Search Console setup where applicable
- Google Analytics setup where applicable

Potential search themes include mentorship, youth mentorship, student mentorship, leadership development and mentorship programs in Kenya.

Final keyword targeting will be determined during implementation.

Okay

11. Social Media

The current website references:

- Facebook
- Instagram
- LinkedIn
- YouTube

The redesigned website should provide clear links to MBB's active official platforms.

CLIENT TO PROVIDE

Official Facebook: _____

Official Instagram: _____

Official LinkedIn: _____

Official YouTube: _____

Other: Yes I'll provide them all _____

12. Content Management

MBB should confirm how frequently website content will change.

Content likely to require updates includes:

- Mentorship stories
- Programs
- Events
- Academy intakes
- Impact statistics
- Team members
- Mentors
- Partnerships
- Publications

CLIENT DECISION

Who will manage website updates after launch?

13. Functional Requirements

The first version of the website is proposed to include:

Must Have

- Responsive website
- Program pages
- MBB Academy page
- About page
- Impact section
- Contact functionality
- Application links/forms
- Booking links/forms
- Social media integration
- Mentors Connect integration/link
- SEO foundations
- Analytics
- Secure HTTPS deployment

To Confirm

- WhatsApp integration
- Newsletter
- Events
- Blog
- Donations
- Online payments
- Member accounts
- Mentor profiles
- Mentee accounts
- Online course functionality
- Resource/download library
- CMS

These should only be included if required.

14. Domain & Hosting

The final website should use an official MBB domain rather than relying on the existing WordPress subdomain.

Existing/desired domain: _____

Hosting: _____

Business email: _____

The domain, hosting and website ownership should ultimately remain under accounts controlled by Mentorship Beyond Boundaries.

15. Success Criteria

The redesign will be considered successful when visitors can:

1. Understand what MBB does quickly.
2. Find relevant mentorship programs easily.
3. Understand how MBB creates impact.
4. Apply to available programs.
5. Book MBB for mentorship engagements.
6. Connect with mentors/mentees where applicable.
7. Contact MBB easily.
8. Learn about partnership opportunities.

The website should also work effectively across desktop, tablet and mobile devices.

Yes

16. Items Requiring Client Confirmation

Before development begins, MBB should confirm:

- Website objectives
- Target audiences
- Final page structure
- Programs to display

- MBB Academy program details
- Current impact statistics
- Primary calls to action
- Booking process
- Application process
- Mentors Connect requirements
- Generational Mentors section
- Partnership requirements
- Contact information
- Social media accounts
- Logo and brand assets
- Images/videos
- Domain
- Website management requirements
- Features required for initial launch
- Features reserved for future development

Much okay

17. Additional Client Requirements

Please list anything you would like included in the new website that is not currently represented in this document.

I consider we begin from this it has covered the most important part to have in the website

18. Client Approval

This document represents the initial proposed requirements for the Mentorship Beyond Boundaries website redesign.

Changes can be recorded before development begins.

Once the final requirements are approved, they will form the agreed scope for the website's first version.

Client Name: Brian Odhiambo

Role: Founder

Approved / Changes Required: _____
